CRIMINAL CHARGES AGAINST JUDGE MICHAEL A. FLOWERS AND 3 OTHER JUDGES AS STATED BELOW FOR ENABLING HUMAN TRAFFICKING OF AN ILLEGAL ALIEN MINOR CHILD ACROSS STATE LINES, HARBORING OF ILLEGAL ALIENS AND CONSPIRACY IN PARENTAL CHILD KIDNAPPING

Gentlemen,

My name is Stephan Schuermann, I am the father of Duke Sean Schuermann, who has been **kidnapped** and is **wrongfully retained** in the USA by his **illegal alien** Filipino mother Jubilie Anqui.

I am filing herewith **CRIMINAL CHARGES** against Judge Michael A. Flowers of Okaloosa County and 3 other judges for aiding and abetting an illegal alien and for ordering the illegal alien mother to "RELOCATE" a wrongfully retained child across State lines without my permission and without my consent.

The attached motions have been filed last week and I want you to open a full investigation into the Okaloosa County Courthouse which is running a CRIMINAL ENTERPRISE UNDER THE RICO ACT.

CRIMINAL CHARGES AGAINST THE FOLLOWING JUDGES:

- 1.) Judge MARY KOCH POLSON, individually and as a STATE actor Judge for the Okaloosa County Family Court,
- 2.) Judge Terrance Ketchel, individually and as a STATE actor Judge for the Okaloosa County Family Court,
- 3.) Judge MICHAEL A. FLOWERS, individually and as a STATE actor Judge for the Okaloosa County Family Court,
- 4.) Judge MARGARET CASEY RODGERS, individually and as a STATE actor Judge for the Pensacola Federal Court,

STEPHAN SCHURMANN

Criminal Charges against the above judges for Taxpayer-Funded Human Trafficking, Harboring of Illegal Aliens, State machinery acting under connivance to restrict and intimidate a party to seek justice & Child Kidnapping under the RICO ACT.

1. Federal law 42 U.S.C. § 1983 states that every person who, under color of state law, deprives an individual of "any rights, privileges, or immunities secured by the Constitution and laws, shall be liable to the party injured in an action at law." In short, § 1983 allows those whose rights have been violated by a state or federal official to sue for damages. Originally passed as part of the Civil Rights Act of 1871, § 1983 was largely ineffectual for almost one hundred years. It was not until 1961 that the Supreme Court held: (1) Congress intended and had the power to protect individuals from infringements of their constitutional rights by state officials; (2) a cause of action exists not only when the violation is specifically authorized by state law, but where the official commits the violation in abuse of his or her position or power; and (3) the law creates a federal right enforceable in federal court.

1. Defendants are engaging in a pattern of racketeering activity and operating RICO ENTERPRISES in the Family Court; through a calculated system of eugenics and social engineering; and dealing in obscene matters of human trafficking, harboring of illegal aliens, conspiracy in child kidnapping and psychological, mental and emotional child abuse, sadistically motivated terror against a German father, hate crimes, perjury and fraud on the court, wrongful arrest, false imprisonment or motives both economic and non-economic.

2. Defendants are further engaging as TRESPASSERS OF THE LAW, which makes all judgements NIL & VOID and without any effect as set forth by the example case below:

CIRCUIT COURT A CRIMINAL ENTERPRISE

The Seventh Circuit Court of Appeals held that the Circuit Court of Cook County is a criminal enterprise. U.S. v. Murphy, 768 F.2d 1518, 1531 (7th Cir. 1985). The United States Supreme Court recently acknowledged the judicial corruption in Cook County, when it stated that Judge "Maloney was one of many dishonest judges exposed and convicted through 'Operation Greylord', a labyrinthine federal investigation of judicial corruption in Chicago". Bracey v. Gramley, case No. 96-6133 (June 9, 1997).

Since judges who do not report the criminal activities of other judges become principals in the criminal activity, 18 U.S.C. Section 1, and since no judges have reported the criminal activity of the judges who have been convicted, the other judges are as guilty as the convicted judges. The criminal activities that the Federal Courts found in the Circuit Court of Cook County still exist, and are today under the care,

custody and control of Judge Greylord II (Chief Judge Donald O'Connell).

The Circuit Court of Cook County remains a criminal enterprise.

TREASON

Whenever a judge acts where he/she does not have jurisdiction to act, the judge is engaged in an act or acts of treason. U.S. v. Will, 449 U.S. 200, 216, 101 S.Ct. 471, 66 L.Ed.2d 392, 406 (1980); Cohens v. Virginia, 19 U.S. (6 Wheat) 264, 404, 5 L.Ed 257 (1821) **Any judge or attorney who does not report the above judges for treason as required by law may themselves be guilty of misprision of treason, 18 U.S.C. Section 2382**

DEFENDANTS are also in Violation of the Federal Immigration and Nationality Act 8 USC§ 1324(a) (1)(A)(iv)(b)(iii) and conspiracy of harboring 2 illegal aliens by DEFENDANTS and Violation of Color of Law Abuse, Title 18, U.S.C., Section 241, Conspiracy Against Rights and Violation of Color of Law Abuse Title 18, U.S.C., Section 242, Deprivation of Rights Under Color of Law.

3. The Okaloosa Family Court and the Pensacola Court are courts of limited jurisdiction and will not recognize or address its own constitutional violations.
4. The Supremacy Clause provision in Article Six, Clause 2 of the United States Constitution establishes the United States Constitution, federal statutes, and treaties as "the supreme law of the land". It provides that these are the highest form of law in the United States legal system, and mandates that all state judges must follow federal law when a conflict arises between federal law and either a state constitution or state law of any state.
5. Human Rights Treaties - the Universal Declaration of Human Rights and the International Covenant on Civil and Political Rights are both rendered Supreme Law by virtue of the Supremacy Clause.
6. States are prohibited to nullify federal law pursuant to Article III of the U.S. Constitution.
7. Plaintiffs STEPHAN SCHURMANN and D.S.S. are father and child who for more than 2 years and to this moment endure the financial, emotional, psychological and mental abuse and cruel punishment by the state government actors and individuals named as Defendants who deliberately separated them from each other and sadistically terrorized them without a basis.

8. D.S.S. who is **ILLEGAL** and **wrongfully retained** in the USA is **DEPRIVED** his liberty and freedom to return to his country of citizenship, which is Germany. This fact alone is a 100% violation of the Federal Immigration Laws and makes the DEFENDANTS "Trespassers of the Law" **Violation of Federal Immigration and Nationality Act 8 USC § 1324(a) (1)(A)(iv)(b)(iii) and Violation of the United Nation Convention for the Protection of Children.**

Defendants have at least on two counts acted and/or conspired in a criminal violation of 8 USC § 1324(a) (1)(A)(iv)(b)(iii) As I am certain that you are aware:

"Any person who . . . encourages or induces an alien to . . . reside . . . knowing or in reckless disregard of the fact that such . . . residence is . . . in violation of law, shall be punished as provided . . . for each alien in respect to whom such a violation occurs . . . fined under title 18 . . . imprisoned not more than 5 years, or both."

9. **DEFENDANTS FURTHER IGNORED & VIOLATED Federal Laws, which you can see in the attached motions:**

FRAUD ON THE COURT

In *Bullock v. United States*, 763 F.2d 1115, 1121 (10th Cir. 1985), the court stated "Fraud upon the court is fraud which is directed to the judicial machinery itself and is not fraud between the parties or fraudulent documents, false statements or perjury. ... **It is where the court or a member is corrupted or influenced or influence is attempted or where the judge has not performed his judicial function --- thus where the impartial functions of the court have been directly corrupted.**"

Criminal judge FLOWERS accepted willingly and knowingly jurisdiction, although the residency requirements of the State of Florida to accept jurisdiction over the matter were never met due to the illegal status of all parties in the case. Therefore, judge FLOWERS committed **fraud** upon his own court by accepting these perjurious statements of my wife Jubilie Anqui.

In a sworn affidavit, my wife Jubilie Anqui informed the court that she has the intent to remove my son from Florida to the State of Utah, however a physical address was not known at the time of filing. My wife also confirmed in the sworn affidavit that she understood that she is required by Florida Statutes to update and provide current information in accordance with Florida Statutes section 61.13001. This includes contact information and physical address of the minor. A telephone number was provided to the court, however it is no longer in use nor being answered. I have been trying to contact my wife over the last two (2) years without success.

The court allowed my wife to relocate without providing further relief to myself for any form of visitation either physically or electronically nor did the court provide any information of the physical whereabouts of my son. Notwithstanding that the motion was never brought to trial but heard ex-parte. **The court actively involved itself in the concealment of my son by allowing my wife to relocate to an unknown location and the court did not follow up with my wife of the whereabouts of my son.**

The Okaloosa county court judges did not only accept jurisdiction over a matrimonial cause under intentionally false statements (known to the court to be false as well), it also actively involved itself in the support and encouragement of an illegal alien to reside within the U.S., which is a direct violation of US Code title 8 §1324 a(1)(A)(v)(II). The court also did not consider the best interest of a child by allowing an illegal alien parent to relocate without any known physical whereabouts nor any form of contact with the other parent, which is a blatant violation of international law and federal provisions.

No court anywhere in the world, including Florida, has ever revoked my parental rights, hence I maintain under German and Florida Statutes full custody rights to my son.

Please confirm via email that you have received my letter with attachments and that you will open a criminal investigation. I will send this to the new President Donald J. Trump and the Vice President Mike Pence, as well as A.G. Jeff Sessions.

Respectfully yours,

Stephan Schuermann
